Copy of Ref.C.No.5000/54.P2(i) dated 11.3.1954 from the Collector of South Kanara to the Secretary to the C.C.S., Madras.

Sub: Estab ishment - Civil Supplies Staff - South Kanara district - Retention beyond 31.3.54 - Proposals - Submitted -

Ref: Board's Ref.No.F.15991/54 dt.27.2.1954.

The sanction last accorded in G.O.Ms.No.350 Agri. Department dated 8.2.54 for the retention of the existing Civil Supplies staff in this district will expire on 31.3.54. I submit herewith proposals for the further retention of the staff till 30.9.54 or till the need for its retention ceases whichever is earlier.

HOSDRUG SUB TALUK--According to the Food Policy of the Government for 1954, informal rationing in Hosdrug Sub Taluk will continue during 1954. Consequently, the continuance of the existing staff of 1 Taluk Supply Officer, 1 Asst.Taluk Supply Officer, 1 L.D.C. and 2 peons in Hosdrug Sub Taluk is absolutely necessary so long as the informal rationing is in force there. As the existing staff is the minimum required for work connected with informal rationing in the Sub Taluk there is no scope for any retrenchment.

DERATIONED AREAS: Though the issue of rice through fair price shops in derationed rural areas has been stopped for the present, proposals have already been submitted separately for its resumption on account of the deterioration in the food situation of the District. Further, wheat is continued to be issued through Fair Price shops in rural areas. Orders of the Government regarding the disposal of the stocks of wheat held on Government account in this District have not been received so far. The continuance of the existing Civil Supplies staff in the derationed rural areas of Kasaragod, Mangalore, Udipi and Coondapur taluks is quite necessary for work connected, with running and supervision of fair price shops in rural areas and also for work connected with the following items of Civil Supplies work.

(1) Effective prevention of smuggling by land and sea.
(2) Administration of M.R.M.L.Order 1951 and Food Grains (Licensing and Procurement) Order 1952.
(3) Administration of Madras Drugs Control Order.
(4) Watching of food situation and taking effective measures to prevent hoarding and to bring down prices.
(5) Inspection and supervision of Fair Price shops and verification of identity cards. In this connection it is submitted that these four taluks are bounded on the west by an extensive sea coast which provides ample scope for smuggling of foodgrains by sea. It is necessary that the sea coast should be vigilantly watched and that effective steps taken to prevent smuggling by sea. In Kasaragod Taluk the Asst.Taluk Supply Officer has also to attend to reception of foodgrains imported into this District from outside, in addition to other items of Civil Supplies work. In Coondapur, Udipi and Mangalore taluks, there are a no.of rice mills. The Asst. Taluk Supply Officers will have to inspect them frequently and check their accounts in order to prevent malpractices by the millers. Udipi Municipality is an ex-statutorily rationed urban area and according to the Food Policy of the Government for 1954, the Fair Price shops in this area will continue to function in 1954, As there is no separate A.R.O. for this area, the work connected with the working and supervision of these shops are developed on the Asst.Taluk Supply Officer, Udipi. In the circumstances stated, the retention of the existing staff consisting of one Asst.Taluk Supply Officer, one L.D.C. and one peon in each of the four Taluks, which is the minimum staff required for the purpose, is quite necessary.

pto-

COLLECTOR'S OFFICE SOUTH KANARA--The existing staff consists of the following:--

(a) Civil Supplies staff:
One C.S.Tahsildar)
One U.D.C.) for work under C.S.
Two L.D.Cs.) Tahsildar.
One typist)
Three peons)

(b) Reception staff:
One Rec.Dy.Tahsildar.
Two L.D.Cs(one for executive work and one for work under Rec.Dy.Tahsildar)
Two peons (one for Rec.Dy.Tahr.and one for L.D.C.during executive work)
One head accountant
One L.D.C.

The statistics showing the work turned out by them are enclosed. Since the submission of my last report there has been marked deterioration in the Food situation of thsis district. In order to keep the informal rationing going on in Hosdrug and to maintain supplies to Fair Price shops in the Ex-statutorily rationed urban areas and rationed rural areas and for the supply of rice to Amindivi and Malabar Groups of Islands, it will be necessary to import not less than 13,000 tons of rice into this district in 1954. As there are no approvaed wholesalers in this district, the entire stocks to be imported to this district have to be got under the agency system which has thrown additional work on the clerical staff in this office. The C.S.Tahsildar has also to attend to the work connected with Food production in addition to the work connected with Civil Supplies. Thus the hands of the entire staff is full and there is no scope for retrenchment.

In the circumstances I request that the Board may be pleased to move the Government for the retention of the entire existing staff as shown in annexure III till 30.9.54.

Particulars of C.S.staff sanctioned till 31.3.54, that retrenched or proposed to be retrenched during the period from 1.1.154 to 31.3.54, and that proposed to be retained beyond 31.3.54 are furnished in the annexure I, II and III respectively. Statistics on currents and other details are also given in the statements enclosed.

Sub:-ESTABLISHMENT -Antismuggling staff - South Kanara-district-Retention beyond 31.3.54 - proposals submitted.

Ref:-Board's Ref No.F/15991/54 dated 27.2.1954.

The sanction last accorded in G.O.Ms.No. 312/Agriculture department dated 4.2.54(read with Government memo No.16770/Ai/54-1 dated 18.2.54) for the retention of the following anti-smuggling staff for the prevention of smuggling of foodgrains in South Kanara district, will expire on 31.3.54.

One Dy.Tahsildar.
Two Revenue Inspectors.
Ten peons.
Thirty four chowkidars and
Eight Police constables.

This staff, which is now working is dealing with Anti-smuggling work on the land side on the frontiers and also on the Malabar border where smuggling problem is acute. In this Office report ref.23309/53 -P2 dated 19.1.54 submitted in reply to Board's ref.no.152030/E/53 CS dated 11.1.54 I had already furnished full reasons for the continuance of this staff. The reasons already reported still hold good. So long as the ban on movement of rice from this District to places outside the Zone in the State is in force the continuance of the existing Anti-smuggling staff which is the minimum required for the purpose in view, is absolutely necessary.

I therefore request that the Board may be pleased to move the Government for the further continuance of the above staff upto 30 .9.54 for anti-smuggling work or till the necessity for its continuance ceases whichever is earlier.
